Spring Planting 2014

Don't let the world food crisis leave you with an empty plate…

Learn how to grow food in your yard, on your porch, and inside your home!

- Meet the Master Gardeners
- Get green and leafy – Gain the benefits of having nature's gift of green plants in your home
- Free oxygen supply – Breathe deeply and enjoy cleaner air wherever your plants are
- Nutritious food – add a little water, a little loving care and never run out of food again!

Early birds get FREE stuff while it lasts!

Workshops with:

- Victory Programs-Revison Urban Farm
- Laurel Valchuis – Al Freshco
- Agricultural Hall

And other friends
